

Wrestling

Our wrestling team, captained by Ron Vukman and Duffy Palmer, ended the 1968-1969 season with a fine record. The team wrestled tough competition and proved themselves strong, not only as a team, but individually too.

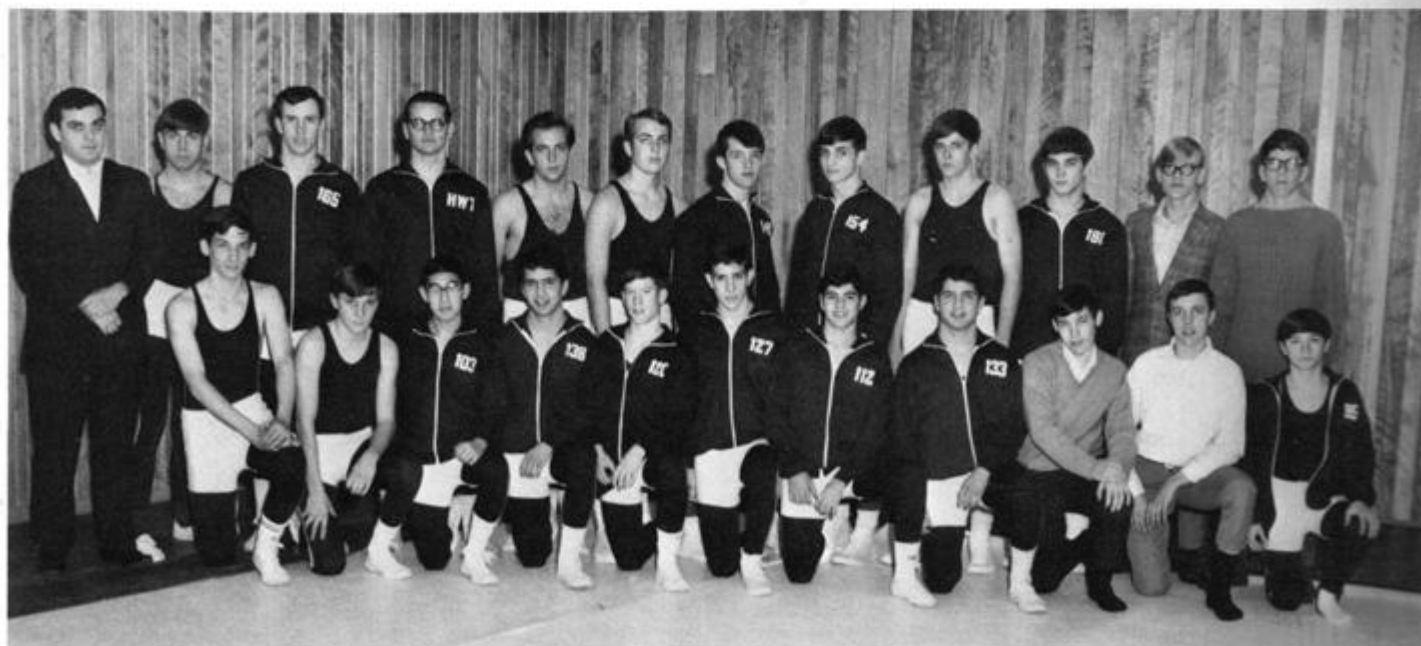

Wrestling is a sport that emphasizes improvement of physical fitness, sportsmanship, the basic wrestling skills, and self-confidence. In short, it is a sport that actually builds men. It provides fine experiences and self-improvement for boys of all sizes and statures.

This year the team was made up of many returning lettermen, as well as many new members. The team will only lose four strong members to graduation, thus the 1969-1970 season should prove to be another fine one.

The team was under the direction of Coach Bonarigo and Coach Miller.
