

At East Tonight

# City Mat Tests Open

The preliminaries, quarterfinals and semifinals round of the 23rd annual Rochester Interscholastic Wrestling Tournament will be staged tonight at East High starting at 5:30.

The finals are scheduled at West High tomorrow night which will determine the 13 individual wrestling cham-

pions from nine city high schools.

Each school is expected to enter one wrestler in each of the 12 weight classes (98 pounds to 215). It is also possible that some schools may have entries for the unlimited class, which is now restricted to competitors weighing between 215 and 250 lbs.

Five of last year's champs will be seeking the title in the same weight class: Greg Fuller of West (141), Steve Cangialosi of Jefferson (148), Emilio DiCataldo of Edison Tech (157), Paul McBride of East (178), and Steve Smith of Madison (unlimited).

However, three of last year's titlists will be in a higher weight this season: Lou Borrelli of Jefferson, moves up from 98 to 115; Carmen Oliveri of East from 106 to 115, and Reggie Wilcox of Madison from 115 to 123.

Both the individual and runnerup champion will represent Rochester in the Section 5 Class A tournament slated for March 1 at Corning.
