PROFESSIONAL WRESTLING - Dec. 12, 1972
at the Rochester War Memorial

Around 8:30, Dr. Eddie and another wrestler (Nick De-Carlo, we think it was) entered the ring. However, it was announced before they started wrestling that the card would be cancelled due to the fact that main eventer Johnny Valentine had not shown up. The crowd was pretty small anyway, but the one match did go on and a few fans stayed and sat through it. We didn't. Next card: supposedly Dec.

TWO OF THIS MONTH'S BEST MATCHES

None of the Lancer lettermen from last year actually competed, although a few accepted forfeits. The Cougars are coached by Jim Tortorici, former Section 5 champion from East Rochester. Although there were only six actual matches, the Eastridge people still charged admission, which is kind of foolish since some of the wrestlers who did compete for EHS weren't even varsity really.

We wish score-keepers would get the opposing team's first names! We don't know if the Greece-Olympia 167 pounder in the above two meets is the same person with the name mis-spelled in one result...it's possible. We have to go by the information which we are given.

RICHARD JOHNSON of VICTOR

See him in the Penfield Tournament on Saturday, Dec. 23!

Memory Lane

One of Rush-Henrietta's all-time greatest athletes has to be RALPH CLAPP, who was named athlete of the year as a senior in 1967. He earned All-County first team recognition in soccer, wrestling, and baseball as a senior and also won the Monroe County and Section 5 wrestling titles. Back then, Section 5 did not enter the State Tournament. If it had, chances are Ralph would have won it all. After graduating, Ralph went on to a fine mat career at Monroe Community College.

Another top performer in the history of Rush-Henrietta wrestling is Hugh Reynolds, who graduated in 1968 after a number of successful varsity seasons with the Comets.

Just so you don't get the two of them confused, that's Ralph up above and Hugh's senior picture is to the right.
