

WRESTLING

This year's wrestling team was short in numbers, but not in talent and ability. Although they only won two out of twelve meets, individual scores were very high, reflecting the ability of the wrestlers.

Senior Mark Cammilleri finished with a 28-1 record, junior Dean Goodison finished with a 20 — 9 record, 8th grader Dan Goodison finished with a 22-6 record, senior Scott Schauffele finished 12 — 12 — 1, and sophomore Doug Jones finished 4 — 13. There were two sectional title winners and a third place winner. The team overall took 6th out of 17 teams in sectionals — and with only 5 wrestlers! Coach Stein looks forward to a better season in 1989.
