Mr. Fisher

“You’re not a failure until you quit trying.”

The Newark Reds Wrestling team had a truly magnificent season this year. They had numerous team and individual accomplishments that are worth recognizing. As a group, the Reds defeated 65 teams total in tournament action winning the Genesee Valley, Newark, and City Catholic tournaments. They took second in sectional competition and beat Canandaigua for the first time in Newark history. As individuals, the Reds were even more remarkable. Six wrestlers made first team all-league, eight got their names on the famed “20 plus club,” and four team members were sectional champions, (Jason Sutton, Tim Steingass, Pablo Rojas, and Eric Swan). This team will never be forgotten.

Mr. Rush

“Every man counts”

The 1990 Boys' Swimming team knows how to pull off the big meets. All season they were trying very hard but when a really big meet came along they would put in a little extra. This was the case with the North Rose Wolcott meet for second place in the league. The Reds were the underdogs but they stuck it out and pulled off a victory. The team couldn't have done it, of course, without members like school record holder Tim Pettine and veteran diver Jon Sirkin. Thanks to these and others like Dan Plyter and Jason DeJohn, the Reds took a good season and gave it a remarkable finish.

Row1: J.DeJohn, P.Patanzo, A.Thon. Row2: J.Sirkin, D.Plyter, D.Kline, B.Jackman. Row3: S.Meyer, D.Weeks, W.Harmston, S.Dallos, B.Wallace. Row4: C.Case, C.Dennis, T.Pettine.
