Keep the 96lbs Weight Class in NY State!

We the undersigned believe that New York State needs to keep the 96lbs weight class as a certified weight for varsity and Junior Varsity competition. We feel that if the New York were to drop 96lb class this would discriminate against the many light weight wrestlers in our state and deny many more athletes the chance to compete in JV and varsity wrestling. WE THE UNDERSINGED ARE AGAINST THE MOTION TO DROP THE 96lbs WEIGHT CLASS FROM SOLASTIC WRESTLING IN NEW YORK STATE.
